- Feedback aligned with the expectations of peer-reviewed journals

Expert Proofreading for Your Academic Manuscripts

We write to introduce **AfriScribe Proofread**, a specialised editing and language service developed to support researchers, authors, and institutions committed to academic excellence across Africa and beyond.

Our proofreading service ensures your manuscript is clear, concise, and publication-ready. Every submission is reviewed by expert academic editors with an eye for grammatical accuracy, tone consistency, and adherence to submission guidelines.

About Us

AfriScribe is a digital scholarly platform designed to elevate African research through accessible, high-quality editorial, publishing, and archival solutions. AfriScribe Proofread is one of our core services, created in response to the needs of researchers seeking professional, reliable, and ethical editorial support.

Refer and Be Rewarded

If you're satisfied with our work or simply believe in our mission, we kindly invite you to **recommend AfriScribe Proofread** to colleagues, supervisors, research students, or journal editors you know.

For every confirmed referral you send our way, you'll receive a

10% (NG) | £15 (UK) | $15 (US) referral reward—no limits, no conditions.

Simply ask them to mention your name when submitting a request or send their contact details to us directly (with permission), and we'll take it from there.
